MEMORANDUM FOR THE RECORD

SUBJECT: [] Electron Microscope

1. In response to a number of questions put to me by []
[] P&A, RED, I contacted, by telephone []
[] Eastern Regional Sales Manager of [] Electron Microscopes
for [] on 16 January 1970.

2. [] informed me that the training cost for use of the
above machine would be approximately [] per person, based on an estimated
time of three days at 160/day (20/hr). Training would be done in the
Washington area, most likely on our machine, if possible.

3. Maintenance with full parts and labor supplied Monday-Friday
(8 AM-5 PM) would be approximately [] per year. An exact figure
was not available as we could not provide [] with the exact
Model #.

4. Shipping cost from [] to Washington, D.C.
including crating and insurance would be approximately [] Again,
exact figure unavailable as we could not provide exact Model #.
